RESTAURANT & BAR

... young & fresh

The WEINROT restaurant surprises – the eye and the taste buds.

In our menu Northern German cuisine meets with international influences, fish specialties with meat delicacies and vegetarian with vegan creations.

Enjoy just how you feel at the moment. Wine red armchairs, dark wood, sparkling chandeliers, black string curtains: The ambience is a crossover of a casual lounge and a stylish dining room.

Lively gin, racy rum, malty whiskey, hoppy beer and of course all kind of soft drinks taste – sitting back in the red velvet cushions of HAVERKAMP'S BAR – like a slowdown of life.

The heart and soul are a gleaming curved bar with our bartenders who are happy to let you watch their skills in mixing, uncorking and tapping.
